

Tottori JALT presents

on January 21, 2024; 14:00-16:00

**Inclusiveness vs Othering; What
our students see**

As teachers, we are just as susceptible to stereotypical thinking as anyone else. How does this affect our teaching, and how can we do better?

Zoey, a 3rd year university student in Japan, will tell us about her own experience as a member of the LGBTQ+ community, particularly in regard to Japan, and what we teachers can do to help all students feel comfortable in our classes. The afternoon will also include a role-playing workshop and refreshments. Please join us for an interesting and enlightening afternoon!
