

For our next Toyohashi Chapter meeting, we are at Toyohashi Arts Theatre 'Plat' again. It is particularly suitable for the presenter's theme! The meeting will be from 1:30 to 4:00 pm on Sunday 31st July 2022.

Presenter: Keizo Asano Title: Making words come alive by Readers Theatre

Reflecting today's topic, the presentation is in four acts:

Act 1: An opening lecture

Act 2: Practice

Act 3: Performance

Act 4: Feedback

As you can see, the presentation is a combination of 'input' from the presenter and 'output' with a workshop format encouraging participants to really get involved! Therefore, it is the ideal presentation for teachers, students and all others who are interested in English, Drama and Performance.

Keizo Asano recently retired from teaching full-time at Nanzan, where he taught at its international school, the junior college and the university. However, he is still enjoying teaching part-time at Aichi KenDai, Aichi Shukutoku and Nanzan. His academic and educational interests lie in developing students' social growth through EFL, including today's topic: Readers Theatre (RT).
