

CALL FOR PARTICIPANTS

INDEPENDENT PUBLISHERS' & MATERIALS CREATORS' FAIR

Campus
Plaza

(near Kyoto
Station)

14:30
to
16:30

We are looking to support small, local, and independent ELT publishers and materials creators in the Kansai area.

This event is modelled on the national conference's Educational Materials Exhibition. Many publishers and materials creators will be simultaneously giving poster-style presentations (with or without visual aids such as posters) and discussing their work with attendees in a large room. If you have any promotional items to give out, it would be a big draw to your table!

There are two portions to the event. The morning will consist of workshops, followed by a lunch break. Presenters and attendees are welcome to eat together at the Campus Plaza, or enjoy lunch at one of the many restaurants in the area. After lunch, the poster sessions will begin.

Tables, chairs, and wall-space for posters will be provided.

Please direct any questions and submit your proposal to kyoto@jalt.org by **Sunday, February 20th.**
