Live Streaming English Lessons on YouTube

with Mark Kulek

Saturday, May 20th 2023, 18:00-20:00

JR Gifu Station Heartful Square 2F

Abstract:

Have you thought about live streaming an English Class on YouTube? The presenter will provide a step-by-step guide to begin and finish a live stream class, which will enable the participants to host their own live stream class in the future. This presentation will be interactive, and participants will have the opportunity to ask questions and share their experiences. The presenter will also provide practical tips and strategies to help participants conduct successful live stream classes.
